

Business Advice and Transactions

We provide advice to businesses from start-up to ongoing operational and transactional issues. We have been doing this for over a century. We serve a wide range of for-profit and not-for-profit clients from international construction firms, to professional corporations, to small businesses and new ventures.

Understanding your world

Whether you are a one-person start up, or work with a multinational organization, you are faced with countless decisions every day. Reliable, real-time and proven legal advice is essential to your success. We regularly work with organizations of all kinds on a number of corporate and commercial matters.

We can assist you with business structures, corporate governance, and ongoing operational or transactional issues. We can help with your:

- Corporate restructuring
- Directors' duties and liabilities
- Estate planning and business succession
- Extra-provincial registrations
- General and limited partnership arrangements
- Incorporations
- Mergers and acquisitions
- Mezzanine and venture capital financing arrangements
- Policies and corporate governance
- Risk management techniques
- Share purchases and takeovers
- Shareholder agreements
- Shareholders' rights
- Strategic alliances and joint ventures
- Tax structures

We offer you timely and practical advice, allowing you to focus on your business.

We provide innovative, practical and cost-effective solutions for your domestic or international commercial transactions. Whether they are simple day-to-day transactions, complex joint ventures or multinational alliances. We have the experience to ensure your corporate transactions go smoothly. We can offer advice on your:

- Business purchases and sales
- Contracts
- Financing
- Franchise agreements
- Joint ventures, partnerships and strategic alliances

Related Practice Areas
